The Ozone Action Heroes school contest asked students, families and organizations to take the ozone heroes' pledge to reduce harmful ozone-forming emissions. The contest was open to schools in Bastrop, Caldwell, Hays, Travis and Williamson counties.

“Congratulations to Pflugerville Middle School for winning the Ozone Action Heroes school contest,” said Cathy Stephens, environmental program manager of the Capital Area Metropolitan Planning Organization (CAMPO). “The contest is a great way to raise awareness about the harmful effects of ground-level ozone.

“We are very grateful to Amy’s Ice Creams for donating an ice cream party to Pflugerville Middle School, a much deserved award for a job well done,” said Stephens.
